MULTI-FUNCTION CARRYING CASE for Wii™

WI-MFB

This carrying case is the perfect form of transport and safeguard for your Wii™ and its accessories. Made with a sturdy nylon fabric, it offers ultimate protection from the many bumps and knocks that are sure to happen during travel and storage. The interior is designed to compliment the size and shape of the Wii™ so that there is no room for it to slide around. There is also a built-in strap that secures the Wii™ to prevent it from falling over when the case is opened. Also included in the case are five CD pocket slots that hold the corresponding number of your gaming CDs. Located on the façade of the case is a pouch in which you can store your many desired accessories or the 50-inch adjustable should strap. With the strap, you can carry your Wii™ system messenger style, or like a briefcase with the handle provided. With this carrying case, where or whenever you choose to pick up and go, your Wii™ is able to follow.
